

AQUAPAST

Coloured pastes

Code **MO6920**

Concentrated, coloured pastes mixable with all Carver water-based sealers and finishes. Available in five basic colours: white, blue, yellow, black, red.

Packaging: 0.2, - 1.0 - 5.0 kg.

DIRECTIONS

Add AQUAPAST to the product to be modified and mix thoroughly until you obtain an homogeneous, settling-free solution.

NOTICE

- If used alone, the paste cannot dry.
- Before applying the products mixed with AQUAPAST, it is advisable to do a preliminary test, to verify if the obtained chromatic effect is as desired.
- Use preferably the AQUAPAST pastes in combination with our waterborne sealers and finishes which don't alter the colour of the wood: Fondo 300 , Aquahit , Omega , Aquacolor.
- It is essential to use the product at temperatures not below +15° C. Let product reach at least this temperature before use.
